

Registration of additional vehicles with GO Direkt

EIN PRODUKT DER
A|S|F|I|N|A|G

For the registration of additional vehicles with GO Direkt you need an **active GO Direkt contract**. It is only possible to mail GO-Boxes if you are registering a license plate for which you do not already have a GO-Box (initial purchase).

Company:

Customer ID:

Motor vehicle registration number	Country of registration	HGV type (bus/truck)	Number of axles ¹	CO ₂ emissions class	EURO emission class	Toll Collect user number ²
-----------------------------------	-------------------------	----------------------	------------------------------	---------------------------------	---------------------	---------------------------------------

¹ Please indicate the number of axles of the towing vehicle here. If necessary, you can change the number of axles manually on the GO-Box. Does not apply to buses.

² only when TOLL2GO is activated in Austria

 Enclose the application (form): Vehicle Registration Certificate, Customer Information File (CIF), if necessary also Certificate of Conformity (CoC), CEMT proof, Conformity of Production (CoP).

Delivery or collection of the new, personalised GO-Boxes

I wish to receive the GO-Boxes **by post**.

The processing of the application usually takes 2 days, the subsequent shipping can take up to 10 days.

I will collect the GO boxes by means of pickup code **at a GO sales office**.

Please send the collection code to the following contact person:
